*3 wrestlers will advance to the P.I.A.A. State Tournament*

**SEEDING PROCEDURES/FORMAT**

1. The three District champions will be seeded on points based on the combination of:
  - A. **Winning Percentage** -- i.e., the number of victories divided by the total number of matches wrestled. A wrestler must have wrestled a minimum of 12 matches. **Eight points will be deducted for each match less than 12.** Winning percentage will be based on the record that a wrestler has at the end of the regular season (**do not use District Team or Individual Tournament results**).
  - B. **Prestige Points** -- i.e., a wrestler will be awarded points for his highest place finish in the previous year's State Tournament. The points awarded will be consistent in all three Districts.
2. The three District champions will be placed in the sixteen-man bracket on lines 1, 16, and 9 respectfully.
3. The three District champions will receive byes in the preliminary round.
4. The first and fourth place finishers from each District will be placed in the same half bracket, except District IV, who will only have two entrants. The second and third place finishers from Districts II and XI will be placed in the half bracket opposite the District champion. The District IV runner-up will be placed in the half bracket opposite the District IV champion
5. The top four place finishers from any District cannot meet until the semi-final round.
6. The second place finisher from the District with the second seeded champion will be placed on line 8 of the upper half bracket and receive a BYE in the 1<sup>st</sup> Round.
7. One of six possible bracketing combinations will be used based on the seeding of the three District champions.
8. Complete wrestle-backs will be conducted to determine third and fourth place as three wrestlers advance to the State Tournament.
